## EXPERIENCE

General Assembly (New York, NY – February 2014 to May 2014)

*Web Development Immersive Student*

- Completed 12-week intensive program on full-stack web development.
- Built 3 Ruby-on-Rails web applications, both in teams and individually. Projects included a Simon-like music game, a Google Maps app for NYC cyclists and a playlist builder for Crackle TV & movie titles.

PDK Regency Home Fashions (New York, NY - February 2011 to February 2014)

*Administrative / Customer Service*

- Updated the company website as well as set up & processed orders for the company's web store.
- Handled vendor web portal responsibilities for QVC, Amazon and Home Shopping Network accounts.
- Processed purchase orders and product specification forms to textile mills in China, India and Pakistan.

## EDUCATION

Iona College (New Rochelle, NY – August 2005 to May 2009)

*Bachelor's Degree in Mass Communications*

## ACTIVITIES

Musician (Guitar & Bass - 1999 to present)

- Toured North America, recorded albums released on Victory Records & filmed music videos between 2009 and 2011.
- Had songs featured in several video games, namely Activision's Guitar Hero and 505 Games' Supremacy MMA.
